

Do you want to step up?

Career Club

- 12 hour career-helpline, 7 days per week. Call or mail us when you are discouraged in your job, face a difficult work situation or just need someone to talk to about your boss, your work, your colleagues or your clients.
- Daily inspirational quote
- Regular information and inspirational messages for your personal and career growth
- Where geographically possible, club meetings with an experienced facilitator for networking, knowledge exchange and mutual encouragement
- Networking blog.
- Ongoing access and exposure to uplifting resources.
- Members enjoy discounted rates for all the services we offer.
- Membership is limited. Please enquire about our application process. Professional and income status are not selection criteria.

Career Marketing and Talent Profile Creation

So you are good at what you do, but how do you convince others? We will not write your cv for you but we will show you how to turn your cv into a powerful talent profile and how to market yourself effectively.

Corporate Managers and Executives!
Please click into Annette's program
'CONFIDENTIAL DECISION MENTORING'.

Confidential Career Growth Counselling

Are you driven, competent and hard working but not getting ahead fast enough? We will show you how to close the gap between where you are and where you want to be. We will guide you to success in manageable steps to suit your individual needs.

--- oOo ---

If you are a caring company or spouse and have someone in mind who might benefit from a sponsored session, please know that we never work against employers or any other relationship. Nor do we recommend changing jobs. We encourage people to grow, not to run away or project blame.

LET US INSPIRE YOU!

IRIE CAREER DEVELOPMENT: We inspire. You succeed.
